Dear Mrs. Annie Besant, Permit me to recommend to you Mrs. Kyllikki Ignatius, President of the Iisalmi Lodge of the T.S. in Finland. From a worldly standpoint she is at present a rather unhappy woman, and I am sure that your wisdom and goodness will find words to console her. From an occult standpoint I think she might be helped by you; she has taken some steps in ~~the~~ that direction. Yours very faithfully,
P.E.
